

How do I refill a prescription?

In Pinehurst Neurology FollowMyHealth™ patient portal, please head over to your "My Health" section and navigate to the "Medications" tab. Find the line with the medication you would like to refill, and click the pill bottle icon in the "Options" column. (circled in red in the image below)

Medication	Directions	Date	Refills	Provider	Source	Options
Ventolin HFA 108 (90 Base) MCG/A...	Inhale 1 To 2 Puff...	12/18/2015	1	Dr. James Cook	WALGREENS DRUG STORE	

In the popup window, ensure it is from the proper provider (1) and for the right pharmacy (2), and add any additional notes if desired (3). Then click "Send" (4) to send the request to your provider.
